

As an educator who place student experience as top priority, OIEG are dedicated to ensuring our staff and partners are well trained to provide first class counselling services set out in The National Code of Practice for UK Education Agents. Please see below a step-by-step guide on how to join the British Council Accredited Agent Network.

The purpose of the training is to provide a practical and professional training programme for those whose role is to recommend the UK as a study destination to International students.

Step 1: British Council Official Website “Become a UK agent or Counsellor”

[Become a UK agent or counsellor | British Council](https://www.britishcouncil.org/education/education-agents/training-agents)

The screenshot shows the British Council website page for becoming a UK agent or counsellor. The page features a dark blue header with the British Council logo and navigation links. The main content area includes a breadcrumb trail, a title, a photograph of three people, a list of resources, and a prominent registration button.
